We advise that this historic environment feature (labelled on the maps above and marked with a green polygon) be protected from damage during forest operations, to comply with UKFS Forests and the historic environment guidance. We have no information of the nature of this feature. Henneb would appreciate receiving any information on the feature as photographs or a written description.

There is always the possibility for previously unknown remains to survive within this area of which we have no knowledge. Should further archaeological features or finds be identified it is important that Henneb – The Trust for Welsh Archaeology, Heritage Management Dyfed region is informed and further information and advice can then be provided as required.

Kind regards

Alexandra Powell
