

17th October 2023

Dear Peter,

NRW Screening Request FLA171 23-24 Amroth.

Thank you for your felling licence consultation. I have reviewed the map boundaries against the regional Historic Environment Record (HER) and other sources, and the consultation area lies adjacent to the Scheduled Monument The Castle, Woodreefe, Marros Castle CM253 (marked on the map below with a red outline), therefore Cadw must be consulted. I am copying this response to Louise Mees, Inspector of Ancient Monuments and Archaeology (South West Wales).

I have also noted the following features:

PRN 95001 RYLAND POST MEDIEVAL FARMSTEAD SN18230855

A farmstead named Ryland is recorded on Amroth Parish tithe map of 1845. An unnamed building and enclosures is recorded at this location of the Ordnance Survey 1st edition map (1889). W Steele 2009.

PRN 95002 POST MEDIEVAL BUILDING SN18370815

An unnamed building shown on the 2nd edition Ordnance Survey map. W Steele 2009.

PRN 95003 POST MEDIEVAL BUILDING SN18320834

A small building is marked in outline at this location on the Ordnance Survey 1st edition map (1889). W Steele 2009.

PRN 118181 MODERN BUILDING SN19080876

A couple of unmarked buildings, one square with a subdivision and another long and rectangular are shown on the 2nd edition OS map. A Pyper 2020.

The current condition of these features is unknown; however, they may survive as ruins, earthworks or below ground archaeology. We advise that these historic environment features (labelled on the map above and marked with green polygons or red outline) are protected from damage during forest operations, to comply with UKFS Forests and the historic environment guidance.

The area within and surrounding the consultation boundary is archaeological sensitive. There is always the possibility for previously unknown remains to survive within this area of which we have no knowledge. Should further archaeological features or finds be identified it is important that Dyfed Archaeological Trust Heritage Management is informed and further information and advice can then be provided as required.
