Dear Stephen Morris,

DFR/S/2024/0074 - Flood Risk Activity Permit Application

Thank you for your consultation. I have checked the map boundaries against the regional Historic Environment Record (HER) and other sources and there are no known historic environment features recorded within the consultation area. The application does lie within the Historic Landscape Character Area Ystrad Tywi: Llangadog-Llandovery -

<https://dyfedarchaeology.org.uk/HLC/HLCTowy/area/area208.htm>

There is always the possibility for previously unknown remains to survive within this area of which we have no knowledge. Should further archaeological features or finds be identified it is important that Heneb – The Trust for Welsh Archaeology, Heritage Management is informed and further information and advice can then be provided as required.

Yours sincerely
