DAT 14968

Apologies for the delay and thank you for your consultation. I have checked the map boundaries against the regional Historic Environment Record (HER) and other sources and note the following historic environment features recorded within the consultation area;

PRN 10993

PERIOD AND TYPE POST MEDIEVAL FARMSTEAD

NGR SN6476834726

SUMMARY

Farmstead recorded on 2nd edition, 1:2500 Ordnance Survey map.

PRN 121935

PERIOD AND TYPE POST MEDIEVAL COTTAGE

NGR SN65053477

SUMMARY

A small cottage within an enclosure is shown on the 1st edition Ordnance Survey map (1887), named Bryngwyn-bach. it is no longer shown on the 2nd edition map (1906). A Pyper 2021.

PRN 121936

PERIOD AND TYPE POST MEDIEVAL SMITHY

NGR SN65373489

A smithy is shown on the 1st edition Ordnance Survey map (1887). it is no longer shown on the 2nd edition map (1906). A Pyper 2021.

We do not know the current condition of these sites, but would recommend that no ground intrusive activities take place in the location of these sites.

There is always the possibility for previously unknown remains to survive within this area of which we have no knowledge. Should further archaeological features or finds be identified it is important that Dyfed Archaeological Trust Heritage Management is informed and further information and advice can then be provided as required.

Yours sincerely
Alice Pyper

We are consulting you as we have received an application for a mobile plant deployment.

For Natural Resources Wales consultees:

You have been consulted because you are the named contact for the permit (NLO), or area where the activity is occurring (Waste Regulation and NRM teams). If this is incorrect please let us know as soon as possible. Please complete the comments record (which has been saved in the below DMS folder) within ten working days of this email, i.e. **by 29/12/2020**. Please ensure the record is completed by all **relevant**

officers who wish to make comments. Guidance on the comments we require can be found on the comment record.

DMS folder: [Link](#)

For Environment Agency consultees:

We are consulting you as we have received an application for a mobile plant deployment for the permit that you regulate. You have been consulted because you are the named contact for the permit, if this is incorrect please let us know as soon as possible.

You can see the application documents attached to this email.

Please submit your comments by return email within ten working days i.e. **by 29/12/2020**

For archaeological trust consultees:

We are consulting you as per the terms of our working together agreement with you.

You can see the application documents attached to this email.

Please submit your comments by return email within ten working days i.e. **by 29/12/2020**.

Kind regards

Natural Resources Wales Waste Permitting Team
