Dear Gwenda,

**EIA (Agriculture) Regulations - Consultation Request**

**Lampeter SN 6531 4302 and SN 7271 5389**

Thank you for your EIA screening request, I have checked your map boundaries against the regional Historic Environment Record and other sources. There is one historic environment record within the consultation area at SN65364314; the orchard (PRN 117038) which was connected to the historic farmstead Henllan. Recent aerial photographs (Google Maps 5/9/2017) suggest that the orchard has been removed.

There is always the possibility for previously unknown remains to survive within this area of which we have no knowledge. Should further archaeological features or finds be identified it is important that Dyfed Archaeological Trust Heritage Management is informed and further advice can be provided as required.

If you require any more information or guidance please get in touch.
