These sites should be protected from damage during forestry operations and extraction.

The consultation also lies within the Historic Landscape Character Area: No. 233, Llanddeusant – Capel Gwynfe. A description can be found on our website - <http://www.dyfedarchaeology.org.uk/HLC/Myddfai/area/area233.htm>. These proposals will not be detrimental to the landscape character.

There is always the possibility for previously unknown remains to survive within this area of which we have no knowledge. Should further archaeological features or finds be identified it is important that Dyfed Archaeological Trust Heritage Management is informed and further information and advice can then be provided as required.
