Dear Suzanne,

FLA 172 19-20 Coed Lloc, near Haverfordwest

Thank you for your consultation. I have checked the map boundaries against the regional Historic Environment Record (HER) and other sources and note a scheduled monument is adjacent to and appears to fall within the consultation area of the Iron Age inland promontory fort, PE102. Cadw must be consulted to ensure that the works will not adversely affect the scheduled area.

There is also the possibility of unrecorded archaeology which lies invisible to the eye in the fields to the west and north of the promontory fort, and I would recommend seeking further advice from DAT Heritage Management if access tracks will be created or if heavy machinery is likely to have to track across these fields.

Best wishes

Alice Pyper
