Dear Menna,

FLA 328 19-20 Coed Cwm Ere

Thank you for your consultation. I have checked the map boundaries against the regional Historic Environment Record (HER) and other sources and there are no known historic environment features in the areas identified for thinning and felling. As details of access and extraction methods are not included within the consultation documents I am including the map extract below which indicates the site of a cottage which lies adjacent to an identified area of clearfell.
