Dear Suzanne,

FLA489 19-20 Derry Lodge Cpt 1i/h; Cpt 2 b/f/i/k/g

Thank you for your consultation. I have checked the map provided against the regional Historic Environment Record (HER) and other sources and there are no known historic environment features recorded which should be affected by the felling of individual trees.

There is always the possibility for previously unknown remains to survive of which we have no knowledge. Should further archaeological features or finds be identified it is important that Dyfed Archaeological Trust Heritage Management is informed and further information and advice can then be provided as required.
