Natural Resources Wales

4th March 2020

Dear Lisa Ann,

FLA 551 19-20 Cwm-oernant

Thank you for your consultation. I have checked the map boundaries against the regional Historic Environment Record (HER) and other sources and note the following historic environment feature recorded:

PRN: 118177

TYPE: RESERVOIR

DESCRIPTION:

Reservoirs built by Carmarthen Water Works in the 19th century. Shown on the 1st edition Ordnance Survey map as two reservoirs built into the southeast facing hillslope. A recreational aspect is suggested by the recording of a seat on the west side and fountains. A Pyper, 2020, based on OS 1st edition (1890 sheet 39.03)

Forestry operations should avoid damaging any historic buildings, structures or earthworks.

There is always the possibility for previously unknown remains to survive within this area of which we have no knowledge. Should further archaeological features or finds be identified it is important that Dyfed Archaeological Trust Heritage Management is informed and further information and advice can then be provided as required.
