Important Information for you

Managing your money from home

We understand you might be worried about how you can manage your money during this difficult time of the Coronavirus outbreak. With the Government's latest advice to stay at home, reduced opening hours at branches and call waiting times longer than usual, the best way to manage your money is through Internet and Mobile Banking.

This might be different to how you usually do your banking, but you'll find you can do most things you need to quickly and securely:

- View your accounts, balance and transactions
- Pay people, bills and move money between your accounts
- Set up, change and cancel direct debits and standing orders
- Pay in cheques using the app

Go to [lloydsbank.com](https://www.lloydsbank.com) and click on 'register'

Stay fraud safe

We want to reassure you that your money is safe in your account. We'll never call, text or email and ask you to move your money to another account, or for your banking details. Our fraud hub tells you how to spot a scam and we use scam warnings when you bank online.
