Dear Lynn,

FLA 359 19-20 Coed Aneurin

Thank you for your consultation. I have checked the map boundaries against the regional Historic Environment Record (HER) and other sources and note there is one site recorded – a cottage and enclosure named Tan y Coed / Dan y Coed (PRN 23469; NGR SN08371903) see map extract below. Any forest operations should avoid damage to surviving structures or earthworks associated with this site.

There is always the possibility for previously unknown remains to survive within this area of which we have no knowledge. Should further archaeological features or finds be identified it is important that Dyfed Archaeological Trust Heritage Management is informed and further information and advice can then be provided as required.
