<i>Decision (If the proposal is considered to be inappropriate at this location please provide an explanation)</i>	<p>Thank you for forwarding this Glastir Woodland Creation proposal to us.</p> <p>Dyfed Archaeological Trust have reviewed the new planting proposals for Glandwr against the Historic Environment Records database and other readily available record sources and have assessed that the application, as submitted, has the potential to have an impact upon the following Historic Environment Features (HEF's):</p> <p>PRN117048 Cwrt Newydd SN80324209</p> <p>A small cottage and enclosure named Cwrt-newydd is recorded on the 1st and 2nd edition OS maps. A Pyper 2019.</p> <p>PRN 21831 Tan-y-lan SN80384154</p> <p>Post medieval cottage shown on the 1st edition OS map. It is depicted as a Single cell building set in a wider garden/paddock enclosure. By the 2nd edition OS map a small structure has been built to the north at NGR SN 8036 4157, possibly a Ty Bach (latrine). The building is now ruinous and covered by mature trees and vegetation. (H. Pritchard, 2016)</p> <p>Dyfed Archaeological Trust therefore advise that in order to comply with UKFS Forests and the historic environment guidance, the following advice should be adhered to in the Glastir Woodland Creation plan:</p> <p>Planting within the areas outlined on the accompanying map should be avoided.</p>

We have assessed that the predominantly broadleaf to conifer planting, will not be detrimental to the Historic Landscape Character.
