Peter Jones
Permitting Technical Officer (Forestry)
Natural Resources Wales

27th July 2021

Dear Peter,

FLA 113 21-22 Gelli Caerdrum

Thank you for your consultation. I have checked the map boundaries against the regional Historic Environment Record (HER) and note the following Historic Environment Features;

PRN 30607 Post Medieval Tramway
PRN 30621 Post Medieval Coal Mine
PRN 104626 Post Medieval Shaft
PRN 104627 Post Medieval Shaft
PRN 104628 Post Medieval Shaft
PRN 104629 Post Medieval Shaft
PRN 104630 Post Medieval Shaft
PRN 104631 Post Medieval Shaft
PRN 104633 Post Medieval Shaft
PRN 104636 Post Medieval Coal Mine
PRN 125807 Post Medieval Quarry
PRN 125808 Post Medieval Tramway

We have no information on the current condition of these features which may survive as earthworks. Felling operations should avoid causing damage in these areas.

There is always the possibility for previously unknown remains to survive within this area of which we have no knowledge. Should further archaeological features or finds be identified it is important that Dyfed Archaeological Trust Heritage Management is informed and further information and advice can then be provided as required.
