Dear Ioan,

FLA 164 21-22 Cosheston Estate near Pembroke

Thank you for your consultation. I have checked the map boundaries against the regional Historic Environment Record (HER) and other sources and note the following historic environment features recorded within the consultation area.

The current condition of these features is unknown; however they may survive as ruins, earthworks or below ground archaeology. Felling operations should avoid causing damage in these areas.

There is always the possibility for previously unknown remains to survive within this area of which we have no knowledge. Should further archaeological features or finds be identified it is important that Dyfed Archaeological Trust Heritage Management is informed and further information and advice can then be provided as required.
