Dear Lisa,

**FLA 173 21-22 East Lane Land**

Thank you for your consultation. I have checked the map boundaries against the regional Historic Environment Record (HER) and note that this lies within a landscape where a Medieval Open Field System is preserved, and is described on the HER as;

PRN 6412 Medieval Open Field System

Description:

Tithe map and later cartographic and topographical evidence in the shape of, and grouping of, enclosed strip fields of former open medieval fields surrounding Cosheston village, PRN 27080. There is also evidence of an open field to the west of Cosheston, PRN 4519. HJ April 1999

We advise that the layout of field boundaries is retained.

There is always the possibility for previously unknown remains to survive within this area of which we have no knowledge. Should further archaeological features or finds be identified it is important that Dyfed Archaeological Trust Heritage Management is informed and further information and advice can then be provided as required.
