

Menna Jones
Permitting Officer 1 – Forestry Permitting,
Natural Resources Wales

9th December 2021

Dear Menna,

FLA 309 21-22 Cen Coed Lane nr Llanelli

Thank you for your consultation. I have checked the map boundaries against the regional Historic Environment Record (HER) and other sources and note the following historic environment features recorded within the consultation area.

Reproduced by permission of Ordnance Survey on behalf of HMSO © Crown Copyright and database right 2011. All rights reserved. Ordnance Survey License number 100017916

PRN	Summary	Type	NGR
98710	A quarry recorded on the Ordnance Survey 1st edition map (1880 Carms. Sheet 54.10, 25). Not marked on the recent Ordnance Survey mapping.	Gravel Pit	SN48800369

The current condition of these features is unknown; however they may survive as ruins, earthworks or below ground archaeology. Felling operations should avoid causing damage in these areas.

There is always the possibility for previously unknown remains to survive within this area of which we have no knowledge. Should further archaeological features or finds be identified it is important that Dyfed Archaeological Trust Heritage Management is informed and further information and advice can then be provided as required.
