Dear Russell,

FLA 433 20-21 Allt y Capel nr. Llandeilo

Thank you for your consultation. I have checked the map boundaries against the regional Historic Environment Record (HER) and other sources and note that although there are no features recorded within the consultation area, there is reputedly a medieval chapel PRN 4758 located in this area associated with the nearby Holy Well PRN 102418 (NGR SN58752170), however the whereabouts of the chapel is unknown. If any masonry remains should be noticed during forestry operations, please contact DAT-HM for further advice.

The current condition of these features is unknown; however they may survive as ruins, earthworks or below ground archaeology. Felling operations should avoid causing damage in these areas.

There is always the possibility for previously unknown remains to survive within this area of which we have no knowledge. Should further archaeological features or finds be identified it is important that Dyfed Archaeological Trust Heritage Management is informed and further information and advice can then be provided as required.
