Dear Karen,

FLA 447 21-22 Cefn Ystrad Ffin near Rhandirmwyn

Thank you for your consultation. I have checked the map boundaries against the regional Historic Environment Record (HER) and other sources and note the following historic environment features recorded within the consultation area. The features included in the consultation area are highlighted in red due to the high number of other features in the immediate area.

The current condition of some of these features is unknown; however they may survive as ruins, earthworks or below ground archaeology. Felling operations should avoid causing damage in these areas.

There is always the possibility for previously unknown remains to survive within this area of which we have no knowledge. Should further archaeological features or finds be identified it is important that Dyfed Archaeological Trust Heritage Management is informed and further information and advice can then be provided as required.
