List of Plates

Plate 1: Buildings A, B and C South Elevation	4
Plate 2: Buildings B and C South Elevation	4
Plate 3: Buildings A and B North Elevation	4
Plate 4: Building A East and North Elevation	5
Plate 5: Building A West and South Elevation.....	5
Plate 6: Building A Internal Construction.....	5
Plate 7: Building B East and North Elevations.....	6
Plate 8: Building B Eastern Elevation	6
Plate 9: Building B South Elevation	6
Plate 10: Building B West Elevation	6
Plate 11: Building B Ventilation Slit Central Section South Elevation	6
Plate 12: Building B Ventilation Slit West Section South Elevation.....	6
Plate 13: Building B South Elevation -Door into West Section	6
Plate 14: Building B West Elevation -Ground Floor Ventilation Slits.....	7
Plate 15: Building B West Elevation -Top Ventilation Slits	7
Plate 16: Building B North Elevation	7
Plate 17: Building B East Section Ground Floor North Elevation	7
Plate 18: Building B East Section Ground Floor Internal Stone Work.....	7
Plate 19: Building B North Elevation -Central Section Access.....	7
Plate 20: Building B Central Section -Ventilation Opening to West Section	8
Plate 21: Building B Central Section -Internal Access from North	8
Plate 22: Building B Central Section -Roof Construction	8
Plate 23: Building B Central Section -First Floor Access from South.....	8
Plate 24: Building B North Elevation -Door into West Section	8
Plate 25: Building B West Section -Internal West Elevation	8
Plate 26: Building B West Section -Internal Wall with Central Section.....	9
Plate 27: Building B West Section -Roof Construction.....	9
Plate 28: Building B North Elevation -Ventilation Slit West Section	9
Plate 29: Building B West Section -Ground Floor Ventilation Slit to North	9
Plate 30: Building B Eastern Elevation	9
Plate 31: Building B Eastern Section Entrance Door	9
Plate 32: Building B Eastern Section Roof Construction	10
Plate 33: Building B Eastern Section -Internal Layout.....	10
Plate 34: Building B Ventilation Opening into Central Section	10
Plate 35: Building C South Elevation.....	11
Plate 36: Building C East Section South Elevation	11
Plate 37: Building C East Section Ground Floor Internal Layout.....	11
Plate 38: Building C West Section South Elevation.....	11
Plate 39: Building C West Section -Raised Door South Elevation	11
Plate 40: Building C West Section Internal Layout.....	11
Plate 41: Building C West Section -Access from North	12
Plate 42: Building C West Section -Roof Construction.....	12
Plate 43: Building C West Section -Internal Stonework.....	12
Plate 44: Building C West Section -Ventilation Stonework.....	12
Plate 45: Building C West Section -Ventilation Slit to North.....	12
Plate 46: Building c West Section -Ventilation opening Western Elevation	12
Plate 47: Building C East Elevation.....	13
Plate 48: Building C East Elevation Brickwork.....	13
Plate 49: Building C East and North Elevations.....	13
Plate 50: Building C Ventilation Opening North Elevation.....	13
Plate 51: Building C Ventilation Slit on North Elevation	13
Plate 52: Building C West Elevation	13
Plate 53: Building C Ventilation Opening West Elevation	13

3.3 Photography

The following photographys are listed and presented in the the order of 1.Location setting, 2.Building A, 3.Building B and then 4.Building C. The accompanying files use the same digital photo names and titles as below.

3.3.1 Location Setting

Plate 1: Buildings A, B and C South Elevation

Plate 2: Buildings B and C South Elevation

Plate 3: Buildings A and B North Elevation

3.3.2 Building A Photographs

Plate 4: Building A East and North Elevation

Plate 5: Building A West and South Elevation

Plate 6: Building A Internal Construction

3.3.3 Building B Photographs

Plate 7: Building B East and North Elevations

Plate 8: Building B Eastern Elevation

Plate 9: Building B South Elevation

Plate 10: Building B West Elevation

Plate 11: Building B Ventilation Slit Central Section South Elevation

Plate 12: Building B Ventilation Slit West Section South Elevation

Plate 13: Building B South Elevation -Door into West Section

Plate 14: Building B West Elevation -Ground Floor Ventilation Slits

Plate 15: Building B West Elevation -Top Ventilation Slits

Plate 16: Building B North Elevation

Plate 17: Building B East Section Ground Floor North Elevation

Plate 18: Building B East Section Ground Floor Internal Stone Work

Plate 19: Building B North Elevation -Central Section Access

Plate 20: Building B Central Section -Ventilation Opening to West Section

Plate 21: Building B Central Section -Internal Access from North

Plate 22: Building B Central Section -Roof Construction

Plate 23: Building B Central Section -First Floor Access from South

Plate 24: Building B North Elevation -Door into West Section

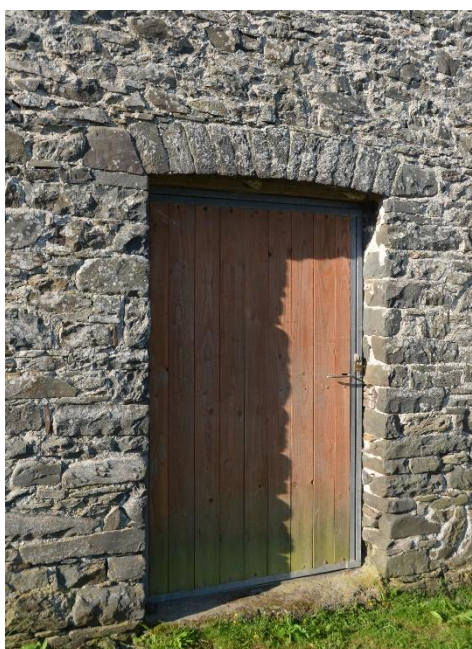

Plate 25: Building B West Section -Internal West Elevation

Plate 26: Building B West Section -Internal Wall with Central Section

Plate 27: Building B West Section -Roof Construction

Plate 28: Building B North Elevation -Ventilation Slit West Section

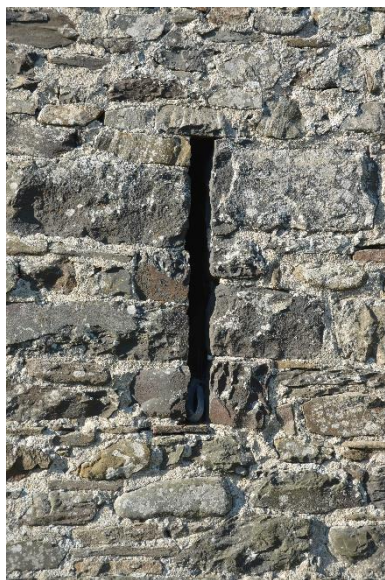

Plate 29: Building B West Section -Ground Floor Ventilation Slit to North

Plate 30: Building B Eastern Elevation

Plate 31: Building B Eastern Section Entrance Door

Plate 32: Building B Eastern Section Roof Construction

Plate 33: Building B Eastern Section -Internal Layout

Plate 34: Building B Ventilation Opening into Central Section

3.3.4 Building C Photographs

Plate 35: Building C South Elevation

Plate 36: Building C East Section South Elevation

Plate 37: Building C East Section Ground Floor Internal Layout

Plate 38: Building C West Section South Elevation

Plate 39: Building C West Section -Raised Door South Elevation

Plate 40: Building C West Section Internal Layout

Plate 41: Building C West Section -Access from North

Plate 42: Building C West Section -Roof Construction

Plate 43: Building C West Section -Internal Stonework

Plate 44: Building C West Section -Ventilation Stonework

Plate 45: Building C West Section -Ventilation Slit to North

Plate 46: Building c West Section -Ventilation opening Western Elevation

Plate 47: Building C East Elevation

Plate 48: Building C East Elevation Brickwork

Plate 49: Building C East and North Elevations

Plate 50: Building C Ventilation Opening North Elevation

Plate 51: Building C Ventilation Slit on North Elevation

Plate 52: Building C West Elevation

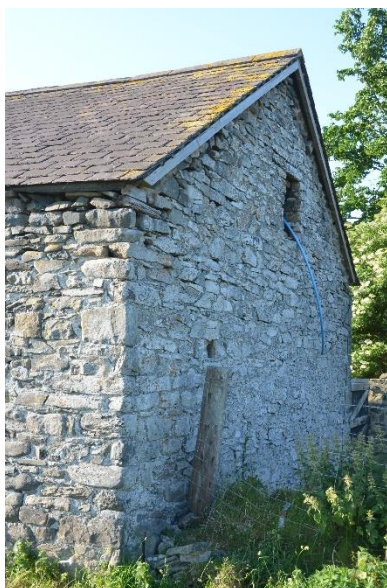

Plate 53: Building C Ventilation Opening West Elevation

4.0 Summary

The information and photographs presented within this report provide an accurate record of the subject buildings.

This survey adheres to the guidance afforded by Dyfed Archaeological Trust- Heritage Management and is considered an appropriate assessment.
