ABERFFRAW, The Old School Room

1/10/5

Nat. Grid 355690 Ref. 51/5 (sq.1)

Conservation Area.

- II Possibly dating from late C18 and either the first chapel of 1772 or the rebuilt structure of 1785. Stone building with wide front and rear elevations, the front elevation faced with pebbledash; slate roof, the rear pitch partly gabled. 2 storeys. On ground floor, a doorway towards each end; wide segmental entry to right hand of centre to former coach house and window 3 paces wide to left hand of centre. On first floor, 4 sash windows 3 paces wide with hoods and with their heads at eaves level.
