1/63/19

Not. Grid 518769 Ref: 30/19 (sq. 17)

II Late 18C 2 storey 3 window house with early 19C 1 window wing each side with hipped roof. Roughcast and lime washed. Main roof, of old small slates, gabled, with fairly massive rectangular chimneys rendered. Recessed sash windows with small panes. Small gabled trellis porch. Modern entrance door. Residence of the family of John Phillips, founder of the Normal College, Bangor. Interior: exposed joists or small beams, windows with deep splayed reveals, some with seats, 6-panel doors with delicate mouldings, some with fielded and some with sunk panels c 1800 hob-gates. Drains with double square rewers, moulded rail and window at half landing.
