

YN45 MON

NEWBOROUGH. Waddisyn Island, Church of St Dwynwen
RHOSIR

1/60/1

Nat Grid: 387627 Ref: 61/1

- I Mainly early 16C including chancel, with smaller and probably earlier opposite end. Walls of rubble masonry, very roughly coursed, and with brown sandstone dressings. One arched opening remains, facing south-east. Certain overhanging stones appear dangerous and in need of repair
Ref in RCAM p 119
