

YNYYS Mawr (former Valley Rural District)

BODEDEEN, Outlying Tiers, Port Factory Cymuned, over Afon Gwyll

SI/13/11

Not. Grid. 390772 Ref 26/11 (sq. 15)

II Day 18C bridge of rubble masonry with 2 arches rather widely separated and of different construction. The arch on west is rough hewn and rather high compared with its width. The eastern arch is segmental and with roughly square voussoirs slightly inset below an extrados course of narrow slabs. Rough parapet.

Ref in RCAM p18
