LAND DANIEL FAB, Waifarwylle, Burial chamber with ante-chamber S1/27/10

Nat. Grid: 519697 Ref: 54/10 (2.2)

I Megalithic burial chamber. Main chamber has coverstone of great size on 5 supporters. Other uprights fallen and missing. Adjacent, south-west, a smaller chamber with fairly massive coverstone with supporters, forming the ante-chamber & end of the former approach passage. No trace of the mound now remains.
