Outstanding Conservation Area

- II 1605* Two storey. Pebble dash. Old slate roof, ^(sustained) C19 Mural. Three ^{modernised} windows with hipped dormer heads and small finials carved with faces on 1st floor. Probably three windows on ground floor, now two doors one French window and one window, all C19 or modern and irregular, and partly under modern wood balcony. No gazing bars to 1st floor windows. Described in A.M. Survey of Anglesey. Grading partly for historical value (?) Interest?

* Date inscribed over left door but only main external walls + some chimneyed roof and floor timbers remain of this period
