

# BRECON AND MONMOUTHSHIRE CANAL MONUMENTS RECORD CARD

Monument Number:  
MB116  
GILWERN

Monument Name: Arm forming Gilwern Wharf parallel to trackway.

Map Reference: 324380 214520

Official Status:

Description:

Neither the wharf, which is wholly defined by rubble stone walls of the stone-built house have any statutory recognition, although they are connected to the listed (and scheduled) structures 117, 118, 118a and 118b on the adjacent plan. The significance of the whole group is considerable and the part played by the wharf arm and its retaining walls is substantial.
