

**BRECON AND
MONMOUTHSHIRE CANAL
MONUMENTS RECORD CARD**

**Monument Number:
MB170
GOETRE FAWR**

Monument Name: Cattle pond and wall

Map Reference: 331285 207451

Official Status: National Park

Description:
Curved wall partly containing a cattle pond.

Images:

Plate 32 Overflow weir forming a cattle pond north of bridge 77. The canal and towing path are over the wall to the left and the pond is fed by a culvert under the path.

Stevens' picture

Condition:

The wall is sound but the feature and its purpose are now best seen in R. Stevens' picture which calls for restoration of the pond.

References:

STEVENS RA (1974) *A Towpath Guide to the Brecknock & Abergavenny and Monmouthshire Canals*. Goose and Son, Cambridge. p 58 and Plate 32

Notes: An unusual feature which needs statutory protection.
