PONTMOILE

Monument Name: Basin on site of former canal junction

Map Reference: 329161 200213

Official Status:

Description:

The Brecknock & Abergavenny canal and the Monmouthshire canal met at bridge 52. The Monmouthshire canal originally went up to Pontnewynydd beyond Pontypool, the remnant of that route is the basin here. When the section was closed a railway was built on its line which has now been replaced by a road.
